TRAINING CALENDAR 2021
ACCELERATE YOUR PROJECT SUCCESS

IPEC ORACLE PRIMAVERA TRAININGS FOR 2021
IPEC MICROSOFT PROJECT TRAININGS FOR 2021

IPEC PRIMAVERA & MS PROJECT TRAININGS

At IPEC Project Systems Sdn Bhd we understand that embedding your project controls processes and systems through efficient training, user adoption and change management initiative is one of the most critical factors to success. That's why we have developed comprehensive training programs that help develop the skills of our people while advancing organizational and individual project performance. All our Oracle Primavera courses are delivered according to most stringent quality standards and using Oracle Primavera trained and industry experienced consultants who have extensive experience in project controls.

IPEC is the 1st company and exclusive company in Malaysia to introduce Primavera P6 for Shutdown Turnaround and Outages planning (STO) which focused in STO project control best practices and applying best practices using Primavera P6. Please consult our training consultant to enable us to recommend the most appropriate courses.

All our courses are accredited by AACE International; a leading technical authority in cost and schedule management for programs, projects, products, assets, and services.
